Declaration:

The Rules and Regulations of IRDA & CAMS Repository Services pertaining to an e IA which are in force now have been read by me and I have understood the same and I agree to abide by and to be bound by the rules as are in force from time to time for such e Insurance Account (e IA). I hereby declare that the particulars given herein are true, correct and complete to the best of my knowledge and belief, the documents submitted along with this application are genuine and I am not making this application for the purpose of contravention of any Act, Rules, Regulations or any statute or legislation or any Notifications, Directions issued by any governmental or statutory authority from time to time. I authorize Insurance Repository to send any policy and account related information through email and SMS on the contact details given by me. In case of any physical policies being issued by the insurance company from whom I obtain e policy, the address in the e IA account shall override the address provided for the physical policies, I understand that all the communication relating to any physical/ e policy will be sent to the address registered with Insurance Repository. I further agree that any false/misleading information given by me or suppression of any material fact will render my e IA liable for termination and further action.

I hereby authorize CAMS Repository Services Ltd./the Insurance Company to disclose, share, remit in any form, mode or manner, all/any of the information provided by me to the respective Insurance Companies and /or to their authorized agents and representatives in which I may transact/have transacted including all changes, updates to such information as and when provided by me. I hereby agree to provide any additional information/documentation that may be required by the Authorized Parties, in connection with this application. I do not hold any e Insurance Account nor have I applied for one either with CAMSRep or any other repository.

I would like to receive my Insurance policy and all the information related to the proposed insurance policy through CAMS Repository Services.
